

About HW, HW Grades, HW Solutions

- We have HW assignment every week. Posted on Monday.
 - The HW is due the following Monday.
 - You will see your HW grades immediately after you submit HW.
 - HW solutions will be posted on Wednesday
-
- HW is much more difficult than Midterm and Final. In HW, for each problem, there can be several correct answers. In Midterm/Final, there is only one correct answer for each problem.
 - If you work hard/carefully on each HW (even if getting low grades), you will be ready for Midterm/Final.
